Africa Health: The leading healthcare event in the African region

Africa Health
By Informa Markets

Medlab Africa
By Informa Markets

The 13th edition of Africa Health, co-located with Medlab Africa, took place at the Gallagher Convention Centre in Johannesburg, South Africa from 17 to 19 October 2023. Over 3 days, this premier healthcare event in the Sub-Saharan region attracted a diverse audience of over 8,132 healthcare and trade professionals from 77 countries.

The show spotlighted cutting-edge medical equipment and devices sourced from

40 countries. Africa Health featured a comprehensive program that included 13 CPD accredited conferences, along with other highlights such as Africa Health Indaba, Transformation Talks, Innov8 Competition, an SME area, and a Hosted Buyer Program.

Exhibitor overview

97% rated Africa Health as an important platform for their business

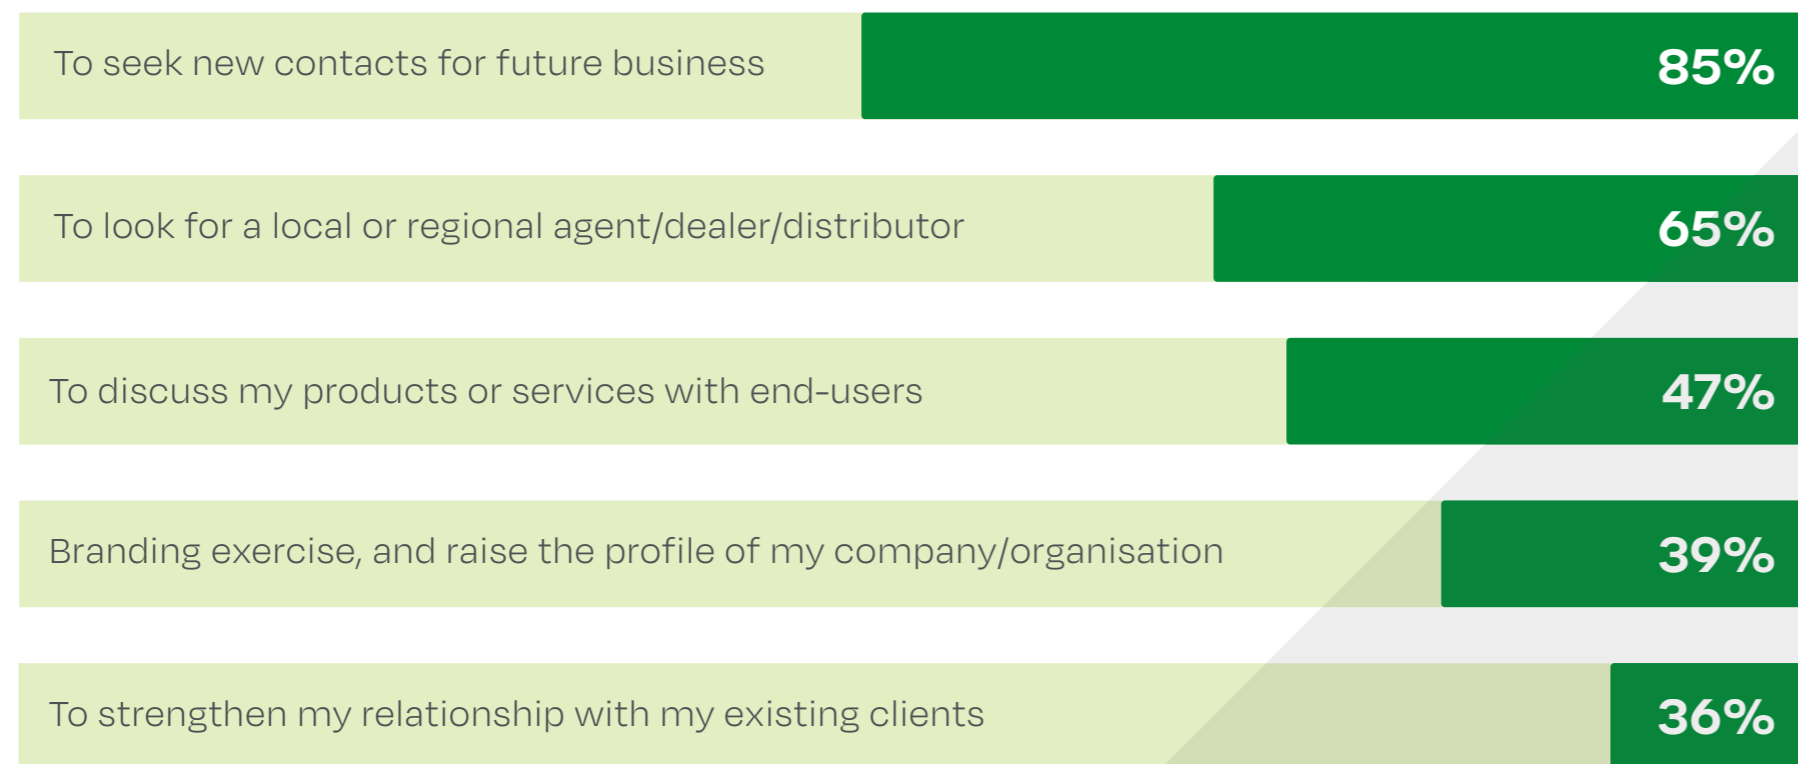

90% rated the quality of visitors from good to excellent

90% will be exhibiting again next year

Top 5 reasons to exhibit

"At Africa Health this year, we had the opportunity to meet with customers from many countries across the region, fostering engaging and insightful conversations, particularly regarding our cutting-edge digital solutions.."

Peggy Schlie | Head of Marketing | Draeger South Africa

"It was a truly remarkable experience participating in Africa Health for the very first time. This event provided us with an exceptional opportunity to demonstrate our innovative service, especially significant as we recently launched in South Africa this year. "

Kanyinsola Oyeyinka | Vice President - Healthcare
African Asset Finance Company

"This was our first time exhibiting at Africa Health, we were uncertain about what to expect in terms of attendance and overall outcomes. Everything exceeded our expectations, from the turnout to the overall experience. "

Mandy Konar | Operations Manager | Promed Technologies

Africa Health Hosted Buyers programme

The Hosted Buyers initiative is a business matchmaking program specially designed for exhibitors who met the criteria based on their business profiles. This entailed meetings being scheduled with specific buyers from across Africa for the sole purpose of business trade during the 3 show days.

- 100+ exhibitors participated in the 2023 programme
- 300 hosted buyers from across Africa attended the 2023 edition
- 963 matchmaking meetings were conducted

All participants were given online access to the Business Matchmaking™ Program to view, search and select who they wanted to meet.

Hosted Buyers by Countries

Giving back

Giving back and shaping the healthcare industry for a sustainable future is one of our missions. At Africa Health, our continuing evolution is fuelled by insight, innovation, and collaboration. We are proud of our commitment to having a positive environmental and social impact on both the communities and industries we work within.

2023 Charity recipients

"Flying for Life is a Johannesburg-based not-for-profit organisation committed to uplifting rural South African communities through dynamic collaborations. They empower regions with transformative medical advancements, using various transportation methods, including aviation, for rapid interventions in remote areas."

Flying for Life was awarded a generous sum of 200,000 rands by Africa Health as a token of appreciation, to support the upliftment of rural South African communities.
