

17-19 October 2023

Gallagher Convention Centre, Johannesburg

Quality healthcare education for a sustainable and innovative future in Africa

**CPD accredited clinical, leadership
& management conferences**

CPD accredited

Conferences at a glance

Healthcare industry influencers from various disciplines will come together at the annual Africa Health Congress to facilitate the constant advancement of healthcare in the region.

The congress will cater to the continent's healthcare and medical laboratory professionals and share strategies that are shaping the future of medicine, whilst also evaluating the latest disruptors driving the transformation of healthcare.

13 CPD

Accredited conferences

Up to **8**

Ethical Points

Accreditation by:

17 October	18 October	19 October
Public Health	Africa Health Indaba ^{NEW}	Quality Management & Patient Safety
Imaging & Diagnostics		Ethics, Human Rights & Medical Law
Medical Obstetrics	Decontamination & Sterilisation	Infection prevention & Control
Nursing	Emergency Medicine	Healthcare Management
Medlab Laboratory Management	Medlab Clinical Pathology	Medlab Anatomical Pathology
	Biomedical & Clinical Engineering	
Transformation Zone: Transformation Talks, Innov8 Start-up Competition, Doing Business Series-Africa Edition & Product showcases from 17-19 October. Non-CPD accredited.

Show Features: Transformation Zone

Thought leaders, innovators, industry experts, and tech giants disrupting the healthcare industry reveal the latest insights, future predictions, and medical innovations at the Transformation Zone. This year, The Transformation Zone will consist of **the Innov8 Start-up Competition, Doing Business: Africa Edition, and Transformation Talks**

Transformation Talks

Get inspired by visionary leaders and learn how they are paving the way for a brighter future for healthcare in Africa.

Innov8 Start-up Competition New

We are excited to launch the first ever Innov8 start-up competition at Africa Health 2023! See how the next generation of healthcare pioneers are disrupting the healthcare industry with their ground-breaking ideas and solutions.

Doing Business Series-Africa Edition New

Maximise your business opportunities with our new feature! Join interactive workshops on medical device procurement, regulation, production, and more, designed for dealers, distributors, and manufacturers.

Product Showcase

Healthcare companies of any size will have the opportunity to showcase their cutting-edge products and innovative solutions, while networking with top manufacturers and distributors of medical equipment and devices across Africa.

Benefits of attending Africa Health and Medlab Africa

The 12th edition of Africa Health will offer you the option to learn and network live in-person with your industry peers. The conferences will provide content that is unbiased, relevant and unique - all delivered by top speakers from around the continent.

Africa Health and Medlab Africa 2023 gives you an opportunity to:

- Earn CPD points from 13 clinical and leadership conference tracks
- Hear from renowned speakers from across the continent
- Acquire educational content over multiple one-day tracks
- Engage with industry leaders and peers
- Source new products from exhibition floor

7th Public Health Conference

Tuesday, 17 October 2023

In partnership with: South African Public Health and Preventative Medicine Association (SAPHMA)

CPD Points – TBC

Theme: Population health and prevention medicine

Key topics:

- Multimorbidity as a global epidemic
- Threat to Women's health
- Prevention of stroke
- Burden of infectious diseases in Africa

Benefits of attending:

- Gain global insights into the rising epidemic of multimorbidity and its impact on public health
- Explore critical issues in maternal care and child health, including threats to women's health and access to fertility care
- Expand your knowledge on stroke prevention, palliation, and control, as well as advancements in TB diagnostics.
- Enhance your understanding of public health medicine sub-specialties through engaging discussions

Who should attend:

- C level – (CEOs, CIOs, CFOs, CMOs) - from healthcare organizations/hospitals
- Public Health Medicine Specialists
- Head of Department,
- Medical Directors,
- Clinical Managers/Officers/Facilitators Hospital Managers
- Public Health
- Heads of Depts (Hospitals, Academic)
- Government officials (Directors, Ministers/advisors/Policy makers)

Conference Co-Chairs:

- **Dr Chauntelle Bagwandeen**, Public Health Medicine Specialist, **University of KwaZulu Natal, KwaZulu Natal, South Africa**
- **Prof Dr Tshegofatso Maimela**, Public Health Medicine Specialist, **Gauteng Department of Health, Johannesburg, South Africa**

Visit africahealthexhibition.com/conferences to learn more

7th Public Health Conference

Tuesday, 17 October 2023

Key-Speakers

- Dr Jasmine Pawa, Adjunct Lecturer - Clinical Public Health Division, Dalla Lana School of Public Health, University of Toronto, Toronto, Canada
- Dr Goabaone Rankgoane-Pono, Botswana Site Coordinator (Global Health Training), University of Washington, Gaborone, Botswana
- Dr Mvuyisi Mzukwa, Chairperson, South African Medical Association (SAMA), Johannesburg, South Africa

12th Imaging & Diagnostics Conference

Tuesday 17 - Wednesday 18 October 2023

CPD Points – TBC

Theme: Power of imaging, from prevention to care

Key topics:

- The role of Cardiac Imaging in risk assessment of cardiovascular disease
- The role of Coronary CTCA in coronary artery disease
- Advancing Radiology Subspecialities in Sub Saharan Africans: Interventional Radiology experience in Tanzania
- Clearing cancer without a scalpel: Trans-arterial options

Who should attend:

- Radiologists, Chiefs, Heads, Directors, Consultants and Radiographers
- Nuclear Medicine Physician
- Sonographers and radio pharmacists
- Technician/ Technologists
- Radiology Nurses

Benefit of attending:

- Explore AI's potential to revolutionize healthcare in Africa, improving diagnostic accuracy and efficiency.
- Understand how CMR and Cardiac MRI diagnose and assess cardiac diseases, including myocarditis, pericarditis, and coronary artery disease.
- Discover non-invasive interventional radiology techniques like ablations and trans-arterial options for clearing cancer, minimizing the need for surgery.
- Gain insights into the latest trends and future directions in women's imaging.

Conference Co-Chairs:

- **Dr Aobakwe Segwe**, Medical Specialist – Radiologist Johannesburg, South Africa
- **Dr Paul Rischbieter**, Chair –CME Committee, Radiological Society of Southern Africa (RSSA); Director, Radiology24, Pretoria, South Africa

Key-Speakers:

- **Dr Erick Michael Mbuguje**, Interventional Radiologist, Muhimbili National Hospital, Dar es Salaam, Tanzania
- **Dr Charles Sanyika**, Head of Interventional Radiology, WITS Donald Gordon Medical Centre, Vice Chairman, South African Interventional Society, Johannesburg, South Africa
- **Professor Leonie Scholtz PhD**, Founder, Scholtz and Partners Radiologists, Chair, South African Society of Cardiac Imaging (SOSOCI), Pretoria, South Africa

Visit africahealthexhibition.com/conferences to learn more

5th Medical Obstetrics Conference

Tuesday, 17 October 2023

CPD Points – TBC

Theme: *Embracing new horizons, raising the bar in obstetric care*

Key topics:

- Trends in maternal deaths in the Ekurhuleni district for last seven years
- Prevalence and impact of perinatal mental health
- The role of a midwife in reducing maternal morbidity and mortality

Benefits of attending:

- Stay current with evidence-based practices and advancements, elevating clinical quality in obstetrics.
- Dive deep into discussions on intrapartum care, discovering optimal approaches for safe and positive childbirth experiences.
- Explore the latest clinical research and innovations, ensuring you stay at the forefront of obstetric advancements and contribute to improving obstetric care.

Who should attend:

- Obstetrics & Gynaecology Consultants/Specialists
- Midwives
- Family Medicine Practitioners
- General Practitioners

Conference Co-Chairs:

- **Dr Edward Buga**, Head of the Clinical Unit, Obs & Gyn, **Thelle Mogoerane Regional Hospital, Gauteng Department of Health, Johannesburg, South Africa**

Key-Speakers:

- **Annette Prinsloo**, Chief Dietitian, **Chris Hani Baragwanath Academic Hospital, Johannesburg, South Africa** **Connie Mokoena**, Midwife, **Johannesburg, South Africa**
- **Prof Salome Maswime**, Head of Global Surgery, **University of Cape Town, South Africa**
- **Mavis Mulaudzi**, South African Chair in Nursing, **University of Pretoria, Pretoria, South Africa**
- **Dr Lawrence Chauke**, Assistant Head, School of Clinical Medicine and Head of Department of Obstetrics & Gynaecology, **Charlotte Maxeke Johannesburg Ac, University of the Witwatersrand, Johannesburg, South Africa**

Visit africahealthexhibition.com/conferences to learn more

Africa Health Indaba

Wednesday, 18 October 2023

Theme: *Driving sustainability in healthcare through regional collaboration and digital transformation*

Key topics:

- The future of healthcare in Africa: broadening stakeholder participation to realize agenda 2063
- Harnessing the power of medical manufacturing to transform Africa's healthcare and economy
- Value-based healthcare as a catalyst for seamless integration between public and private healthcare to enable universal coverage
- MEC's round table -accelerating the modernization of operational and clinical workflows as a driver for efficiency in healthcare delivery

Benefits of attending:

- Hear the latest thinking and determine what is next for healthcare in the region
- Acquire actionable insights for your healthcare organisation while engaging with influential people in one place at one time
- Gain exposure to new strategic concepts, companies and thought leaders from across the healthcare industry
- Discuss forward-thinking trends, case studies and healthcare imperatives
- Network in the ideal executive environment

Who should attend:

- Senior Government Officials
- C-suite from Private and Public Healthcare
- Hospital Owners and Operators
- Captains of Industry
- Investors
- Entrepreneurs

Key-speakers:

- **Mr Panyaza Lesufi**, Premier of Gauteng, **Gauteng, South Africa**
- **Dr Boitumelo Semete-Makokotlela**, Chief Executive Officer, **South African Health Products Regulator, Johannesburg, Gauteng, South Africa**
- **Dr Magome Masike**, Chief Executive Officer and Registrar, **Health Professions Council of South Africa (HPCSA), Pretoria, South Africa**
- **Muriel Mafico**, Deputy Representative, **UNICEF South Africa, Pretoria, Gauteng, South Africa**
- **Ms Rebone Segole**, Snr Industry Health Lead & Digital Solutions, **Microsoft SA**

Visit africahealthexhibition.com/conferences to learn more

9th Decontamination and sterilization (CSSD) Conference

Wednesday, 18 October 2023

In partnership with: CSSD Forum of South Africa (CFSA)

CPD Points – TBC

Theme: What happens when it all goes wrong

Key topics:

- Handling Incidents in CSSD
- Outbreaks relating to CSSD
- CSSD and Sustainability

Benefits of attending:

- Identify best practices in incidence management
- Discuss different outbreak scenarios and best handling techniques
- Learn how to reduce CSSD's impact on the environment and follow sustainable processes

Who should attend:

- CSSD Managers/Supervisors /Technicians
- Infection Prevention & Control Personnel
- Nurses (general/surgical/theatre)
- HOD/Unit/Operational Managers
- Doctors/GPs

Conference Chair:

- **Xana Jardine**, Head, Decontamination Clinical Specialist, **CFSA National Chairperson**, Johannesburg, South Africa

Key-Speakers:

- **Prof Shereen ElMasry**, Associate Professor Clinical Pathology, **Infection Prevention and Control Consultant**, Ain Shams University, Cairo, Egypt
- **Sulisti Holmes**, Head of **Decontamination and Incident Reporting Investigation Centre**, Health Facilities Scotland, Glasgow, United Kingdom
- **Yolanda Van Zyl**, Clinical Programme Coordinator – Infection Control Practitioner, **Paarl Hospital**, Western Cape Government, Paarl, South Africa
- **Zenitha Carstens**, CSSD Manager, **Mediclinic Panorama**, Cape Town, South Africa

Visit africahealthexhibition.com/conferences to learn more

4th Emergency Medicine Conference

Wednesday, 18 October 2023

In partnership with: Emergency Medicine Society of South Africa (EMSSA)

CPD Points – TBC

Theme: Sustainable Emergency Care in Africa

Key topics:

- Late presentations in the ED due to Poverty and its implications
- Drowning, Snakebite and other challenges and their ED management
- Medicolegal issues in ED

Benefits of attending:

- Discover best management practices of different clinical presentations in the ER
- Identify opportunities of sustainable development in Emergency medicine
- Learn different benchmarking standards in Emergency medicine in Africa and compare to world standards
- Discuss different approaches of managing mental wellbeing in the Emergency department

Who should attend:

- Emergency medicine physicians/consultants
- Emergency care practitioners/technicians
- Emergency service providers (ESPs)
- Nurses
- EM registrars
- Academia
- Doctors/GPs
- Medical officers
- Trauma surgeons
- Paramedics

Conference Co-Chairs:

- **Prof Feroza Motara**, President, **Emergency Medicine Society of South Africa**,
Academic Head: Emergency Medicine Division | Department of Family Medicine and
Primary Care
Division of Emergency Medicine, **University of Witwatersrand Johannesburg**,
Johannesburg, South Africa
- **Mande Toubkin**, General Manager: Emergency Trauma, Transplant, Corporate Social
Investment & Disaster Management, **Netcare Limited, Johannesburg, South Africa**

Visit africahealthexhibition.com/conferences to learn more

4th Emergency Medicine Conference

Wednesday, 18 October 2023

Key-Speakers:

- Prof Andreas Engelbrecht, Head of Emergency Medicine, **Steve Biko Academic Hospital and University of Pretoria, Johannesburg, South Africa**
- Dr Clint Hendriks, Head of Emergency Medicine Division, **University of Cape Town, Cape Town, South Africa**
- Prof Heike Geduld, Emergency Medicine Professor and Head of Division, **Stellenbosch University, Cape Town, South Africa**
- Dr Lauren Lai King, Emergency Medicine Consultant and President, **African Federation for Emergency Medicine, Botswana**
- Dr Sa'ad Lahri, Emergency Medicine Physician, **Tygerberg Hospital, President, College of Emergency Medicine, Cape Town, South Africa**

5th Biomedical & Clinical Engineering Conference

Wednesday, 18 October 2023

In partnership with: The clinical Engineering Association of South Africa

CPD Points – TBC

Theme: *Better together: BME, CE and HTA as co-enablers of optimized health technology impact*

Key topics:

- Biomedical- & Clinical Engineering regional initiatives
- Financing of/sustainable access to medical imaging in the African Region
- Future landscapes: Artificial Intelligence (AI) and Extended Reality (XR)
- Medical device innovation initiatives
- Optimising life-cycle management of medical devices
- Procurement/acquisition-related challenges and solutions
- WHO COVID-19 Technology Access Pool (C-TAP)

Benefits of attending:

- Discuss global and regional training and collaboration opportunities
- Interact with leading HT-related players in academia and healthcare delivery
- Exposure to latest developments relating to medical device innovation
- Understanding health technology life-cycle optimisation

Who should attend:

- Clinical Engineering Practitioners/Technicians/Managers/Directors
- Biomedical Engineers
- Health Technology Directors
- Procurements Managers/Directors
- Health Technology Assessment Consultant

Conference Chair:

- **Mladen Poluta**, Member, Founders Council, Global Clinical Engineering Alliance (GCEA); Member, Executive Committee, South African Health Technology Assessment Society (SAHTAS); HTM Consultant, **Cape Town, South Africa**

Committee:

- **Mario Forjaz Secca**, MRI/HTM/Medical Physics Consultant, **Maputo, Mozambique**
- **Prof Martin Nieuwoudt**, Professor, **University of Stellenbosch, Cape Town, South Africa**
- **Prof Sudesh Sivarasu**, DSI/NRF South African Research Chair (SARChI) in Biomedical Engineering & Innovation, **University of Cape Town, Cape Town, South Africa**

Visit africahealthexhibition.com/ to learn more

5th Biomedical & Clinical Engineering Conference

Wednesday, 18 October 2023

Key-Speakers:

- **Anna Worm**, International HTM Consultant, **Les Vans, France**
- **Prof. Habib Noorbhai**, Director: BEAHT Research Centre, **University of Johannesburg, Johannesburg, South Africa**
- **Prof Leandro Pecchia**, President, **European Scientific Society of Biomedical Engineering (EAMBES)**, Fellow, International Scientific Society of Medical Physics and Biomedical Engineering (IUPESM), Secretary General, **International Federation for Medical and Biological Engineering (IFMBE), Rome, Italy**

11th Quality Management & Patient Safety Conference

Thursday, 19 October 2023

In partnership with: The Council for Health Service Accreditation of Southern Africa NPC (COHSASA)

CPD Points – TBC

Theme: Where to from here? How to make resilience and sustainability our reality?

Key topics:

- Designing and implementing a patient safety system and culture in a teaching hospital
- Introducing accreditation to drive and sustain improvement
- Addressing malpractice litigation and clinical negligence to keep health departments sustainable

Benefits of attending:

- Gain valuable insights from industry experts on applying lessons learned from Deming to achieve resilience and sustainability in quality management and patient safety.
- Explore the challenges of keeping patients and staff safe and discover strategies to overcome them, including patient safety culture and addressing malpractice litigation.
- Participate in a practical workshop translating knowledge into action, focusing on implementing quality and safety strategies and introducing accreditation for sustained improvement.
- Engage in dynamic panel discussions with experts from diverse backgrounds, driving collaborative learning and fostering meaningful change in quality management and patient safety.

Who should attend:

- Nurses
- Doctors/ GPs
- Hospital Managers/Directors
- Directors
- Heads of Department
- Primary Care Managers
- Quality Improvement Managers
- Quality Managers
- Quality Coordinators
- Patient Safety Officers
- Patient Safety Managers

Visit africahealthexhibition.com/conferences to learn more

11th Quality Management & Patient Safety Conference

Thursday, 19 October 2023

Conference Chair:

- **Jacqui Stewart**, Chief Executive Officer, **The Council for Health Service Accreditation of Southern Africa NPC (COHSASA)**, Cape Town, South Africa

Key-Speakers:

- **Ethelwynn Stellenberg**, Emeritus Associated Professor Department of Nursing and Midwifery, Faculty of Medicine and Health Sciences, **Tygervalley Campus, Cape Town, South Africa**
- **Elijah Onger**, Head of Nursing and Head of Strategy and Partnerships, **Metropolitan Hospital, Nairobi, Kenya**
- **Dr Hakiba Solange**, Chief of Party, **USAID-Rwanda Integrated Health Systems Activity (RIHSA)**, Kigali, Rwanda
- **Lauren De Kock**, Quality Improvement Regional Director, **The Aurum Institute, Johannesburg, South Africa**

13th Ethics, Human Rights & Medical Law Conference

Thursday, 19 October 2023

CPD Points- TBC

Theme: Ethics of Climate Change, Environmental Ethics, and Public Sector Strikes in Africa

Key topics:

- African environmental ethics, indigenous knowledge and environmental challenges
- The justification for strike action in healthcare: ethics of essential workers and healthcare worker strikes in Africa?
- Environmental justice: towards an African perspective

Benefits of attending:

- Gain insights into African environmental ethics and indigenous knowledge for informed decisions on environmental challenges in the healthcare space.
- Explore African environmentalism and ethical perspectives on climate change for healthcare professionals to consider, contributing to sustainable solutions.
- Delve into ethical and regulatory issues of medical waste management in South Africa, promoting responsible practices.
- Participate in meaningful discussions on the ethics of healthcare worker and public sector strikes in Africa, fostering productive dialogue for resolving labour disputes ethically and effectively

Who should attend:

- GPs/Drs/Registrars/Specialists
- Allied healthcare professional
- Hospital management/Medical directors
- Psychologists/Psychiatrists Academia
- Academia

Conference Chair:

- **Prof Sylvester C. Chima, MD, LLM, LLD**; Associate Professor and Head: Programme of Bio & Research Ethics and Medical Law, College of Health Sciences, **University of KwaZulu-Natal, Durban, South Africa**

Key-Speakers:

- **Dr. Munamoto Chemhuru**, Senior Lecturer in Philosophy, **Great Zimbabwe University**
- **Professor Kevin Behrens**, HoD and Director, **Steve Biko Centre for Bioethics, University of the Witwatersrand, Johannesburg**
- **Adv Phelelani Khumalo**, Head of Legal Affairs, **Health Professionals Council of South Africa, (HPSCA), Pretoria, South Africa**
- **Professor Workineh Kelbessa**, Department of Philosophy, **Addis Ababa University, Addis Ababa Ethiopia**

Visit africahealthexhibition.com/conferences to learn more

2nd Infection Control Conference

Thursday, 19 October 2023

In partnership with: Infection Control Africa Network (ICAN) and Infection Control Society of Southern Africa (ICSSA)

CPD Points – TBC

Theme: *IPC surveillance & outbreak management: Does leadership make a difference?*

Key topics:

- Infection Prevention and Control Surveillance
- Outbreak investigation and data management
- Leadership and sustainability in IPC

Benefits of attending:

- Understand the importance of HAI surveillance
- Learn to manage outbreaks and what factors are contributing to outbreaks
- Identify the role of staff behaviour in the transmission of infections

Who should attend:

- Infection Preventionists
- Infection Control Managers
- Infection Control Coordinators
- Patient Safety Officers
- CSSD Managers/Supervisors/Technicians
- Public Health Professionals
- Nurses
- GPs

Conference Co-Chairs:

- **Briette du Toit**, Programme Manager and Training Coordinator, **ICAN, Cape Town, South Africa**
- **Yolanda Van Zyl**, Clinical Programme Coordinator – Infection Control Practitioner, **Paarl Hospital, Western Cape Government, Paarl, South Africa**

Key-Speakers:

- **Anna Vorndran**, Executive Manager, **Infection Control Africa Network ICAN, Cape Town, South Africa**
- **Prof Shereen ElMasry**, Associate Professor Clinical Pathology, Infection Prevention and Control Consultant, **Ain Shams University, Cairo, Egypt**

Visit africahealthexhibition.com/conferences to learn more

2nd Infection Control Conference

Thursday, 19 October 2023

- **Sulisti Holmes**, Head of Decontamination and Incident Reporting Investigation Centre, Health Facilities Scotland, Glasgow, United Kingdom

Laboratory Management

Tuesday, 17 October 2023

In partnership with: Federation of South African Societies of Pathology

CPD Points – TBC

Theme: *Leadership, Quality and Reputation*

Key topics:

- Ethical Considerations in Laboratory Practice
- Competency of laboratory personnel in enhancing quality and productivity in the laboratory
- Lab leadership

Benefits of attending:

- Discuss the principles of ethics and consideration in laboratory practice
- Discover the guidelines and framework to support quality improvement and efficiency
- Learn about different leadership behaviours and improve leadership skills

Who should attend:

- | | |
|------------------------------------|--|
| • Pathologists | • Quality officers |
| • Clinical pathologist | • Infectious Disease specialists/professors/physicians |
| • Chemical pathologists | • Virologists |
| • Laboratory directors | • Immunologists |
| • Laboratory technicians | • Microbiologists |
| • Heads of laboratory | • Histopathologists |
| • Laboratory in-charge | • Haematologists |
| • Laboratory managers | • Haematopathologists |
| • Laboratory supervisors | • Clinical chemists |
| • Chiefs of laboratory | • Molecular Biologists |
| • Laboratory technologists | |
| • Professor of laboratory medicine | |

Conference Co-Chairs:

- **Professor Rajiv Erasmus**, Emeritus Professor, Chemical Pathology, **Faculty of Medicine and Health Sciences, Stellenbosch University**, Vice President, **College of Pathologists of East, Central and Southern Africa**, President, **Africa Federation of**

Visit africahealthexhibition.com/conferences to learn more

Laboratory Management

Tuesday, 17 October 2023

Clinical Chemistry, Editor-in-Chief, African Journal of Laboratory Medicine, Cape Town, South Africa

- Prof Zivanai Cuthbert Chapanduka, Head, Division of Haematopathology, Stellenbosch University, South Africa

Key-speakers:

- Dr Nicholas Crisp, Deputy Director General, National Department of Health, Gauteng, South Africa
- Dr Ndlovu Nqobile, CEO, African Society of Laboratory Medicine, Harare, Zimbabwe
- Prof Koleka Milsana, Executive Manager, Academic Affairs, Research & Quality Assurance, NHLS, Johannesburg, South Africa
- Prof Rania Sharkawy, Quality Director, Alexandria University; Head of Committee for Development of National Accreditation Standards for Medical Laboratories, The General Authority for Healthcare Accreditation & Regulation, Alexandria, Egypt

Clinical Pathology Conference

Wednesday, 18 October 2023

In partnership with: Africa Federation of Clinical Chemistry

CPD Points – TBC

Key topics:

- COVID-19 haemostasis from syndromes to vaccines
- Evidence based medicine and personalized medicine
- MRD measurement in Myeloma or AML

Benefits of attending:

- Learn about the various coagulation abnormalities from varying conditions to effect of vaccines
- Analyse different treatment options for individuals with specific need for personalized prescription vs best treatment options for individuals
- Understand the current methods in MRD to detect and predict the effectiveness of treatment options

Who should attend:

- | | |
|------------------------------------|--|
| • Pathologists | • Quality officers |
| • Clinical pathologist | • Infectious Disease specialists/professors/physicians |
| • Chemical pathologists | • Virologists |
| • Laboratory directors | • Immunologists |
| • Laboratory technicians | • Microbiologists |
| • Heads of laboratory | • Histopathologists |
| • Laboratory in-charge | • Haematologists |
| • Laboratory managers | • Haematopathologists |
| • Laboratory supervisors | • Clinical chemists |
| • Chiefs of laboratory | • Molecular Biologists |
| • Laboratory technologists | |
| • Professor of laboratory medicine | |

Conference Co-Chairs:

- **Prof Annalise E Zemlin**, Head of Division, Chemical Pathology, **Stellenbosch University, Cape Town, South Africa**
- **Prof Vanessa Moodley**, Head of Department, **Haematological Pathology, Sefako Makgatho University, Johannesburg, South Africa**

Visit africahealthexhibition.com/conferences to learn more

Clinical Pathology Conference

Wednesday, 18 October 2023

- **Dr Nadine Rapiti**, Head of Department, Haematology, University of KwaZulu-Natal; Chair, South African Society of Haematology, Pretoria, South Africa

Key-speakers

- **Prof Verena Gounden**, Head of Department, Dept of Chemical Pathology, University of KwaZulu-Natal, NHLS, Inkosi Albert Luthuli Central Hospital, Durban, South Africa
- **Dr Jody Rusch**, Chemical Pathologist, Acting Head, NHLS, University of Cape Town, Groote Schuur Hospital, Cape Town, South Africa
- **Prof Nigel Crowther**, Chemical Pathology, Wits University, Johannesburg, South Africa
- **Dr Susan Louw**, Principal Haemaopathologist, Witwatersrand University, NHLS, Johannesburg, South Africa

Anatomical Pathology Conference

Thursday, 19 October 2023

In partnership with: South African Society of Haematology

CPD Points – TBC

Key topics:

- Liquid biopsy in breast cancer
- NGS in head and neck pathology
- Ethics in anatomical pathology

Benefits of attending:

- Gain understanding of the minimally invasive procedure used for effective assessment, evaluation and treatment of breast cancer
- Learn about the new technology for advanced personalized treatment of Head and Neck cancer
- Discuss the ethical considerations in different areas of pathologies

Who should attend:

- Pathologists
- Clinical pathologist
- Chemical pathologists
- Laboratory directors
- Laboratory technicians
- Heads of laboratory
- Laboratory in-charge
- Laboratory managers
- Laboratory supervisors
- Chiefs of laboratory
- Laboratory technologists
- Professor of laboratory medicine
- Quality officers
- Infectious Disease specialists/professors/physicians
- Virologists
- Immunologists
- Microbiologists
- Histopathologists
- Haematologists
- Haematopathologists
- Clinical chemists
- Molecular Biologists

Chair speakers:

- **Prof Shaheen Sayed**, Chair, Pathology Dept, Director Medicine of Lab, Aga Khan University, Nairobi, Kenya
- **Prof Maritha Kotze**, Professor, Stellenbosch University, NHLS, Cape Town, South Africa

Anatomical Pathology Conference

Thursday, 19 October 2023

Key-speakers:

- Prof Tivani Mashamba-Thompson, Professor of Diagnostics Research, Deputy Dean of Research, University of Pretoria, Pretoria, South Africa
- Prof Lynette Kyokunda, Head of Department, Pathology, University of Botswana, Gaborone, Botswana
- Prof Olawande Daramola, Professor, University of Pretoria, Pretoria, South Africa
- Prof Rudo Mutasa, Secy General, Zimbabwe Association of Pathologists, Professor, Dept of Pathology, University of Zimbabwe, Harare, Zimbabwe

Transformation Zone

Tuesday 17 - Thursday 19 October 2023

These sessions are non-accredited & free to attend!

In partnership with:

Key features:

- Transformation Talks
- Innov8 – Start-up Competition
- Doing Business Series: Africa Edition
- Product showcases

Who should attend:

- C-level (CEOs, CMOs, CIOs, CFOs, CTOs)
- Chief Scientific Officers
- Chief Digital Officer, Chief Medical Officer, Chief Innovation Officers
- Digital Health Specialist / Consultants / Advisor
- Managing Directors
- Founders
- Heads of hospital departments
- Dealers, distributors
- Medical device manufactures
- Senior Managers / Executives

Key topics:

- The local manufacturing of essential priority medicines and vaccines – folly or moral imperative?
- Leapfrogging healthcare barriers in Africa through telehealth- opportunities and challenges
- The yin and yang of building healthtech in Africa
- Medical device procurement and regulations in Africa

Benefits of attending:

- Stay up to date with current trends and innovative technologies in the industry
- Network with thought leaders and industry experts in the healthcare industry
- Gain insights with cutting-edge advancements and breakthrough ideas in healthcare
- Discover opportunities for potential collaboration and investment for future projects or partnerships

Visit africahealthexhibition.com/transformation-zone to learn more

Transformation Zone

Tuesday 17 - Thursday 19 October 2023

Key-Speakers:

- **Abhimanyu Shivhare**, Regulatory Officer – Medical Devices, **Botswana Medicines Regulatory Authority (BoMRA)**, Gaborone, Botswana
- **Conrad Sebege**, Senior Manager, **ProductivitySA**, Johannesburg, South Africa
- **Daniel Ndimba**, Founder and CEO, **CapeBioSA**, Johannesburg, South Africa
- **Dr Funmi Adewara**, Founder / CEO, **Mobihealth International**, Multi-Award Winning Healthtech Entrepreneur, Forbes Woman Africa Technology and Innovation Winner 2023, World Bank, London, United Kingdom
- **Dr Skhumbuzo Ngozwana**, Chairman of the Board, Biovac, CEO, **Kiara Health**, Johannesburg, South Africa
- **Ilhaam Solomons**, National Procurement Manager, **Life Healthcare**, Johannesburg, South Africa
- **Seth Akumani**, Head of Exploration - Accelerator Lab, **United Nations Development Programme**, Accra, Ghana
- **Simone Shortt**, Chairperson, **Medical Device Manufacturers of South Africa**, Johannesburg, South Africa

Innov8 Start-up Competition judges:

- **Egla Ntumba**, Senior Investment Analyst, **Angel Investor**, New Town Partners, Cape Town, South Africa
- **Dr Mories Atoki**, CEO, **African Business Coalition for Health**, Lagos, Nigeria
- **Malanee Hutton**, Directors of Venture Design, **Founders Factory Africa**, Johannesburg, South Africa
- **Paula Mokwena**, CEO and Head of Co-Investments, **Fireball Capital**, Cape Town, South Africa
- **Thandiwe Maqetuka**, Venture Capital Investment Associate, **HAVAIC**, Cape Town, South Africa
- **Vuyo Thulani Angoma-Mzini**, Portfolio Manager, **Launch Africa**, Johannesburg, South Africa

2023 Conferences

Limited seats available

	Date	ZAR (price incl VAT)
12th Imaging & Diagnostics Conference	17 & 18-Oct	345
7th Public Health Conference	17-Oct	230
5th Medical Obstetrics Conference	17-Oct	230
11th Nursing Conference	17-Oct	230
