Evaluation

Informa Markets, the organisers of Africa Health 2023, are always striving to produce high quality and up to date medical conferences. We therefore appreciate all comments and feedback from our delegates, and we always ensure that we refer to them when producing the next year’s programmes.

ACCREDITATION AND CPD INFORMATION

Breakdown of CPD Points

Conference	Date	CPD Points
7th Public Health Conference	17 Oct	7 Clinical

How to Obtain your CPD Certificate

This conference is accredited by the **South African Medical Association (SAMA)**.

- You can print/download your CPD certificate 3 weeks after the event on www.mpconsulting.co.za. You can find the full instructions on pages 2 & 3.

CPD Claiming Procedure

It is mandatory for delegates who wish to claim CPD points to provide their Council Number and Council Name upon registration. For delegates who wish to update this information, they can contact MPC directly on support@mpconsulting.co.za or email us at LSRegistrationsTeam@informa.com.

Delegates who do not provide their Council Number and Name will receive only an attendance certificate.

Over-claiming CPD hours is a violation and will be reported to the relevant health authority.

When to claim your CPD Certificate

- PSS (Pioneering Solutions Studio) is the Professional development partner for Africa Health, and all CPD certificates can be obtained 3 weeks after the event on www.mpconsulting.co.za.
- For any CPD support-related queries, please contact MPC on support@mpconsulting.co.za.

How long can delegates claim CPDs post-event?

- A FREE profile needs to be registered to view/print/download your CPD Certificate. Event details will be sent to the HPCSA automatically to update their portal. MPC will securely store the CPD certificates for 5 years as per HPCSA guidelines.
- The CPD certificate will be valid for the accreditation period. After the expiry date the certificate can still be obtained in the individual's profile.
- Delegates need to register a FREE profile on MPC to obtain their CPD Certificates. Herewith a few helpful links:

1. How to register a profile.

<https://mpc.triscoms.online/register-a-profile>

2. How to view/print your CPD Certificates:

<https://mpc.triscoms.online/view-and-access-certificates>

3. How to setup/update your council information

<https://mpc.triscoms.online/set-up-and-update-council-information>

- CPD points by HPCSA are typically valid across most countries. In case it is not, delegates can print/download the certificate from www.mpconsulting.co.za and get it cross-accredited by their local accrediting body.
- **Medical Practice Consulting (MPC)** is the healthcare division of Pioneering Solutions Studio (PTY) Ltd, a subsidiary of The Foundation for Professional Development (registered with the Department of Higher Education and Training (DHET) as a Private Higher Education Institution (PHEI) in terms of Section 54(1)(c) of the Act and Regulation 16(4)(a)) and a group company of **The South African Medical Association (SAMA)**.

Instructions on how to claim your CPD certificate:

A. For South African Healthcare Delegates

Please keep your HPCSA/SANC/AHPCSA/SAPC registration number close. The PCSA/SANC/AHPCSA/SAPC registration number will be reflected on all CPD attendance certificates after completion of the event as evidence of attendance. It will enable you to claim the allocated CEU points with your respective council.

- **If you have an existing profile in MPC, please log in with your existing credentials and proceed with step 9**

Register your profile on www.mpconsulting.co.za:

The only information required from you to register a profile is your name, valid HPCSA/SANC/AHPCSA/SAPC registration number, a functional email address (to confirm your username and password), and your specialty. No personal information is requested. Please ensure that the professional council number provided during registration is the same number used when registering a profile on MPC.

B. For International Healthcare Delegates

The international council registration number will be reflected on all CPD attendance certificates after completion of the event as evidence that you attended the session(s) and will enable you to claim the allocated CEU points. Please ensure that the professional council number provided during registration is the same number used when registering a profile on MPC.

Register your profile on www.mpconsulting.co.za: The only information required from you to register a profile is your name, valid international council registration number, a functional email address (to confirm your username and password) and your specialty (to supply you with access to online CME events). No personal information is requested.

How to Register your Profile in MPC & Download the CPD Certificate

1. Open www.mpconsulting.co.za on your web browser.

2. Click on "Register" in the top right-hand corner of the page.
3. Please note that international healthcare professionals registered with the HPCSA/SANC/AHPCSA/SAPC should select their country for registration as South Africa.
4. Please supply the required information in the fields provided. It is of utmost importance that the International Council and the International Council Number, as entered during the online registration for Africa Health, will be entered correctly into the system. The CPD certificate will be generated based on your Council Number.
5. Please read the terms and conditions, privacy clause, and the disclaimer and accept if you agree. You will only be able to access the content on the website once you have agreed to the supplied information.
6. Within minutes of completing the required information, an automated email will be sent from noreply@mpconsulting.co.za to the registered email address to confirm that your profile has been processed and that you have been registered.
7. Please note that specific email settings allocate automated emails to the "Trash, Junk or Spam" folder. If you have not received a confirmation email within 10 minutes of registration, please check your "Trash, Junk or Spam" folder.
8. You may now navigate to www.mpconsulting.co.za and login with your registered email address. You may change your password once you have logged in.
9. CPD certificate is accessible on your dashboard.

All information on the system is verified and secured:
